

DIGITAL FLEET SOLUTIONS

DIGITAL FLEET SOLUTIONS DRIVE
REAL TIME TRANSPARENCY

Digitize Your Fleet Cards!

- Easy access to site and services information, ability to take advantage of promotions, offers, and discounts.
- Security when onboarding drivers, provides more accurate data, influence drivers to follow process, and usage controls to reduce fraud.
- Enables new fleet acceptance and marketing programs and provides oil brands with additional marketing opportunities.

BETTER DRIVER EXPERIENCES AND COST CONTROLS RELY ON TRANSITIONING THE PAYMENT CARD SWIPE TO A DIGITAL EXPERIENCE

Benefits:

- Easy frictionless on-boarding for drivers.
- Enhanced controls to ensure only approved vehicles can be fueled and the corresponding odometer reading captured is accurate.
- Setup private and preferred sites with site groups restrictions to control where your drivers can fuel.
- Your own branded Fleet app to allow outside payments.
- Enhanced locator and fraud tools providing the most accurate fleet data in the industry.
